Thanks, Chris,

I've already reached out to the client to supplement the discovery with this information.

Subject: Information Necessary for a Settlement Offer

Hi Lyle,

Now that the Court has entered our stipulated protective order, I wanted to follow up on your client's financial statements and profit calculation. We will need that information—along with complete information regarding your clients' domain names—before we are able to make a settlement offer.

We are working through the discovery responses now, but we wanted to mention the domain names ahead of our full response, given it is integral to our ability to make a settlement offer. From the discovery responses, we are now aware of at least one other domain name where cybersquatting occurred.

Please let me know if you have any questions; we'd be happy to discuss!

Thank you,

Christine
